POLITICAL FRIENDS NO LONGER REST HERE

Beds In The State Hospital For The Needy Poor

By Gifford Pinchot

This is the third of a series of six articles reviewing the work of the state government, prepared by the Governor of Pennsylvania for the readers of The Miner.

Service to the people is the only measure of a successful government. I have already told how my administration has reduced the cost of government by saving [illegible] for every working day. Now I propose to show how the people of this state are getting [illegible] from the state government than ever before.

[illegible]

[illegible] no longer permitted to [illegible] the public health, which [illegible] is safeguarded as never before. The infant death rate has been brought to the lowest point in the history of the Commonwealth. The tuberculosis record of 1923 was the best yet, there being fewer deaths than any similar period. Sixty-seven thousand children were immunized against diphtheria last year with the result that the number of deaths from that disease was lower in 1923 than ever before.

The penal system of the Commonwealth has been reorganized on the theory that the penitentiary does not simply to punish crime but to turn the released prisoner back into society able to earn his living in honest industry, and anxious to become a good citizen.

The State Hospitals, in spite of reduced appropriations, are doing more work than ever. During 1923 the service rendered to those unable to pay was increased while the earnings from pay patients grew nearly forty per cent. Beds formerly [illegible] political friends of officials are now available to the needy poor. [illegible] for work.

[illegible] Do you want to know about farming? Ask the Department of Agriculture. Do you want to know [illegible]? Ask the Department of Forests and Waters. They are ready and eager to tell you. Have you an insurance policy? The State Department of Insurance is seeing that your policy is good. Do you employ workmen who get hurt? The State Insurance Fund will see that your risk is [illegible].

SMALL EXPLOSION AT COLEVILLE

Monday night about 11:30 the discharge pipe from the high pressure tank at the gasoline plant at Coleville let loose and exploded. Mr. Armstrong who is night operator and his assistant, heard the hissing of the leaking gas and stepped out to investigate when the explosion occurred. Mr. Armstrongs helper suddenly disappeared but in a few minutes he was seen climbing back onto the docks unhurt, but decidedly peeved up. The damage to the plant was slight.

BORO COUNCIL HOLDS SPECIAL MEETING

The Boro council held a special meeting Monday evening at the hose house. R. B. Yerdon who recently petitioned the council to be allowed to erect a drive-in filling station near the Zaffron residence on East Main street was present at the meeting, as was also Alfred Johnson of East Main street who protested against the placing of the filling station as a nuisance.

No action was taken on the matter, and Guy B. Mayo attorney who represented Mr. Yerdon gave his opinion that there could be no legal objection to a land owner placing any legitimate business on his own property.

Sentiment was divided as to the advisability of allowing the filling station in the residential section. Mr. Yerdon asked that the sidewalk committee be authorized to establish a grade for the sidewalk on the south side of Main from Hilton to East street and this was done.

C. C. Choate owner of the Star theater was present and protested against the electrical service at the picture show. This matter will be investigated.

OFFICERS INSTALLED MEMBERS BANQUETED

Smethport Lodge, No. 389, I. O. O. F., entertained a large number of visitors in their rooms last Friday evening. The occasion being the exemplification of the initiatory degree upon a class of three and the installation of new officers by District Deputy Grand Master Earl R. Gallup for the ensuing year. The work was particularly impressive and was greatly enjoyed by all. After the meeting the members and guests enjoyed a supper and smoker. Guests were present from Rew, Bradford and Hazelhurst. The following officers were installed: N. G. Merl Dickinson; V. G., L. L. Burdick; Secretary, R. C. Gleason; Treasurer, F. H. Biever; Chaplain, L. B. Davis; R. S. to N. G., F. H. Biever; L. S. to N. G., Frank Reeves; Conductor, Carlo Montilleur; Warden, Fred Herriman; R. S. S., B. A. Ball; L. S. S., W. J. Greathouse; O. G., R. T. Reynolds; I. G., G. S. Richards; R. S. to V. G., Rodney E. Garett; L. S. to V. G., Thomas Dunn.

MR. BICKFORD SEEMS TO BEAR CHARMED LIFE

Tuesday P. M. the cylinder head blew out of the steam engine driving the electric generator at the Farmers Valley Refinery, just missing one of the workmen near by, and hitting the concrete wall with great violence. Mr. Bickford who so narrowly escaped death must bear a charmed life, for he also missed it by a narrow margin three months ago when the preheater on the boiler blew up.

The explosion caused the crippling of the electric system of the plant, and as the refinery is dependent on its own power for electrical operations, is will be without electricity until new parts can be secured.

Unsuccessful attempts have been recently made to secure juice from the Smethport borough which in a time like this would have been a great advantage.

OTTO AND CORYDON TO LEVY SPECIAL TAXES TO BUILD ROADS

The court Monday granted petitions by supervisors of Otto and Corydon townships to increase their tax levy to provide funds for improvement of roads.

A ten mill increase in taxation by Otto township will be used to pay the township's share of one fourth of the cost of one mile of improved road which has been completed and two miles of highway between Duke Center and Bradford, via Red Rock, the construction of which will be advertised for soon, and to re-grade the road from Riford to Tip Top. The petition was presented by J. C. Looker, J. P. Kervin and J. B. Randall, Otto township supervisors.

B. T. Payne, F. H. Layton and W. C. Holsinger, supervisors of Corydon township, also were granted permission to levy a special ten mill tax, the revenue to be used for the building of a crushed stone, slag and tar roadway, being an extension to the highway built a short time ago.

John Fargo, convicted bootlegger, who was charged with selling liquor which resulted in the death of Charles Lynch, a Bradford boy was paroled by Judge Bouton.

Fargo was serving a sentence of seven months, having plead guilty to trafficking in liquor.

Roy Williams of Olean arrested two weeks ago for desertion and non-support of his wife, was discharged, the court directing that the costs of prosecution be born by the county.

Goodrich Haven, also arrested for desertion and non-support of a child, was sentenced to pay $2.50 a week toward the child's support and to pay the costs of prosecution.

Of the 23 cases on the civil court calender, 17 were continued; one was ruled out to be tried before arbitrators; four were settled.

VOTE FOR COOLIDGE DELEGATES.

Next Tuesday will be election day, and the voters of the commonwealth will cast their ballots for various offices to be filled at the November Election.

James A. Connolly of Ludlow, is a candidate for the office of delegate to the Republican National Convention, as is also Mrs. Ella J. Mountz of Clearfield county.

These two are pledged to vote in the convention for Calvin Coolidge for president, and are deserving of the votes of all good Republicans.

Mr. Connolly is well known throughout McKean county for his public spiritedness and his keen interest in county affairs. His success seems certain.

Votes for Mr. Connolly and Mrs. Mountz means votes to sustain Coolidge.

CHECKS MARKED "NO FUNDS" CAUSE MUCH ANXIEY

The new glass vacuum bottle factory in Roulette, Potter county, whose stock selling agents were so numerous in and around the county during 1923, has closed its doors, removed its desk, chairs and typewriter, rugs and fixtures and departed. A week ago, Chas. J. D. Fohland gave checks on the Roulette State Bank to pay off the employees, which the boys are still holding marked "no funds." Miss [illegible], stenographer and office clerk, has attached all [illegible] assets in sight for past due wages of [illegible]. It seems that the company is incorporated in Delaware and has never gone to the trouble of taking out a certificate to do business in this state. Many thousands of dollars of stock were sold to wage earners and "patriotic citizens" of Roulette. These have lost the money invested, at least so far as present indications point.

EASTER SERVICES IN SMETHPORT CHURCHES

THE FIRST BAPTIST CHURCH

Howard Wolfe, [illegible] nine years of age, of Pittsburgh, and his mother will be in the Baptist church Thursday, Friday and Sunday [illegible]

[illegible]

This child seems to be dead to the world, guile, flattery and attraction. However a human being was anointed of the Almighty God to preach the gospel this boy is. If ever God put his seal upon any body on earth, He has put it upon this boy. The Watchman had a two page article about Howard.

The boy's mother will be with him, and will tell on Thursday evening how her boy was called to preach when he was but two years of age. Every mother and father should hear her. On Friday night we would like to have the boys and girl's from the school. The Fifth, Sixth, Seventh and Eighth grades, also the High School. Come in a body and we will make room for you. There will be no children allowed in the church on Sunday night. The doors will be open at 7:00 o'clock. Howard preached in Pittsburgh last Sunday night. He is soon going to Washington, D. C. He will preach in Ridgway on Monday night.

The Sunday School will meet at 11:45. Prayer meeting, Thursday night at 7:30.

THE SWEDISH MISSION CHURCH

All our friends and foes are cordially invited to the Swedish Mission Church next Friday evening at 8 o'clock (The Subject will be, "Behold the Lamb of God") and next Sunday on the morning at 11 and in the evening at 7:30. [illegible]

ELECTRICITY WILL LIGHT METHODIST CHURCH

The Methodist church of this place is being wired this week for Electric lights under the supervision of Mr. McCauley, a representative of the Standard Electric Company of Erie. The fixtures are of a bronze scroll type and are suspended from the ceiling and lights are of the Una variety, tinted, and were purchased through the Masser Hardware Company of this place. Lights are also being installed in the class rooms of the church and were purchased by the various classes of the Sunday school. It is the purpose of the church to soon connect the organ with electric power. It is expected the work will be completed this week and that the church will be lighted with electricity Easter Sunday.

BROTHER GOUVERNEUR AT ST. LUKES.

Brother Gouverneur of St. Barnabus Home for Incurables, at Gibsonia, Pa., was at St. Lukes church both Sunday morning and evening, and gave most interesting and inspiring talks on his work. Brother Gouverneur is one of the most faithful and gifted leaders in the whole church, and his work amoung the sick and suffering has been crowned with success. Brother Charles, head of the new home at North East, Pa., was also present at the services. This home the corner stone of which was laid last spring was started with only a few hundred dollars, and its erection due to the prayers and efforts of a few noble men seems almost a miracle.

McKEAN COUNTY ROAD CONTRACT AWARDED

Among the contracts awarded in Harrisburg yesterday by the state highway department is one in Otto township, McKean county the successful bidder being Earl C. Jones, Great Valley, N. Y.

His bid was $148,242.92. This is a piece of road near Rixford on the Bradford to Eldred road and together with the Hazelhurst—Mt. Jewett project was placed on the McKean county road program last fall. None of the projects on this year's programs have yet been advertised for bids, which includes the Kasson to Hazelhurst, Larabee to Farmers Valley, and Port Allegany to Larabee pieces. An improved road, partly paved, between Smethport and Port Allegany is also on the program to be built by the county. It is understood that all of these routes have been surveyed.

SENIORS WILL LEAVE FRIDAY FOR WASHINGTON

The senior class in charge of professor Stanley Bright will leave Friday morning for the Nation's capitol. The party made up of 21 members also includes Alva Lindholm and Alma Hector. The class will return Thursday, April 24th.

DOGS KILLED FOR RUNNING DEER

Two dogs belonging to S. S. Fry and Doc. Hazen of this place were seen running deer by several witnesses Saturday at Clermont. The dogs were caught and tied up. State Game Warden L. K. Hogarth was notified, who investigated the matter and had the dogs shot.

MANY LOCAL SPORTSMEN ENJOY OPENING DATE

Harry Ness, With Hypnotic Charm Lands Full Limit.

There were so many fish scales strewn about Main street, particularly in Post office block, Wednesday morning that to the stranger within our city or the uninitiated the thought would have occurred that we had experienced a cloud burst from a mackerel sky. To relieve the worried minds of the skeptical or those not fully acquainted we wish to announce that Wednesday was the day after the opening of the trout season and was also the event of the return of the successful and otherwise fishermen.

In conversation with some of the fishermen yesterday we endeavored to ascertain the approximate number of fish brought home. We began to mentally tabulate the numbers when we were told that Bill got eighteen or twenty, [illegible] twenty or twenty-five, [illegible] until we forgot. As a matter of fact numbers mean nothing to those [illegible] when you talk with them don't ask how many they caught but rather [illegible]

[illegible] go out fishing and return without a mess [illegible] clothes or in the basket.

[illegible] was a good day and [illegible] of the boys from town spent most of the time on [illegible] creek. We really didn't hear though that "Doc" [illegible] landed twenty-one, "Doc" [illegible] same number, Bill Taylor, [illegible] Wilson and Kane [illegible] and they all looked [illegible] that you could not help taking some stock [illegible] Harry Ness had to slow down some along about the middle of the day for fear of going the limit. [illegible] all he had to do apparently was to stroll along about [illegible] and pull out No. 25 [illegible]

THREE MONTHS LEAVE OF ABSENCE VOTED

The deacons of the Baptist church were called together in executive session in the church parlors last Friday evening to consider the resignation of their pastor, Rev. S. A. Renicks which had been tendered the previous Sunday morning. Much free and informal discussion was held in the matter and it was the sense of all the deacons present that, instead of accepting the resignation at this time to extend to Rev. Renicks a leave of absence of three months for rest and recreation. While the receipt of the resignation appears on the secretary's minutes our inference in the matter is that the resignation itself will be carelessly filed away.

Rev. Renicks has been here about two years and during that time has been a tireless worker for the church and for Christianity. Through his efforts the church has grown in number and today is a well united people. Notwithstanding the heavy costs made necessary in maintaining such a property the church is in excellent financial condition.

Rev. Renicks expects to leave for Scotland, his native home, about May first. During his absence services will be held in the church as usual, the pulpit being supplied by visiting clergy.

BASKET BALL SEASON CLOSES IN VICTORY

Last Saturday evening the M. A. C. Basket Ball Team closed its season with a victory, defeating the fast Bradford Hi-Y Basket Ball Team by a score of 44—32. Although outweighed and less experienced the Smethport boys showed up good in their last game, leading the Hi-Y boys from the start.

To Merton Mundy goes the honors of high point scorer, scoring 10 field goals and 2 foul shots for a total of 22 points, and to his running mate E. Mundy goes second honors, scoring 7 field goals and 2 foul shots for a total of 16 points.

Kohn at center and Iddings at guard scored 3 points each; Johnston playing at guard did no scoring but is credited with playing a fine game. Hockenberry who substituted for Johnston played a fine defensive game. In fact all of the boys were playing like whirlwinds.

To McDowell of Bradford goes high scoring honors for the Hi-Y boys, scoring 6 field goals for a total of 12 points. Clark scored 7 points, Glass and Henline each 6 points and Hokanson 1 point. The Bradford boys played a good game but did not have much luck in caging the ball when necessary.

The line-up follows:

M. A. C.			Hi—Y.	
M. Mundy	22	f.	Henline	6
E. Mundy	16	f.	Clark	7
E. Kohn	3	c.	Hane	0
J. Iddings	3	g.	McDowell	12
L. Johnston	0	g.	Hokanson	1
R. Hockenberry	0	subs.	Glass	6

WOULD PLANT TREES ON MECHANIC STREET

The April meeting of McKean Chapter, Daughters of the American Revolution, was held at the home of Mrs. H. C. Wells on Monday afternoon at 2:30 o'clock with fifteen members and two guests present.

At the business session it was decided that with the consent of the Borough Council the organization would undertake to plant trees on Mechanic Street, beween Main and Water. Mrs. Kessler appointed Mrs. R. C. Gleason, Mrs. Rose Herzog and Mrs. Mary Bosworth to take charge of securing and planting the trees.

Miss Carrie Day, Mrs. H. L. McCoy, and Miss Martha Colegrove were appointed to locate all graves of Revolutionary soldiers in this vicinity. This committee would greatly appreciate any assistance that anyone can offer in doing this work as there are no records and the chapter is anxious to locate these graves in order that they may be appropriately marked.

Arrangements were made for the general distribution of the flag code under the direction of Mrs. H. H. Redfield.

The program on Americanization was in charge of Miss Martha Colegrove. Two excellent papers on the subject were read, "The Scope of Americanization" by Mrs. Ethel Marks and "Practical Problems of Americanization" by Miss Colegrove. Miss Grace Olmstead sang "God of Our Fathers". She was accompanied by Miss Emily McCoy.

Dainty refreshments were served by Mrs. Wells and Mrs. U. D. Fischer.

TRAVELER'S CLUB LADIES GIVE FINE PERFORMANCE

"The Woman Who Did", a historical play given by the members of the Traveler's Club last Saturday afternoon at the court house, under the direction of Mrs. J. M. Wiant was an excellent production, the ladies in the cast being admirably dressed for the characters they represented, and the dialogue both instructive and amusing. Surely no queens of history could have been more regal than Queen Isabella and Queen Elizabeth of the play, and all the other illustrious women were most carefully portrayed.

Preceding the play, Miss Lena Southworth played a Chopin solo in a finished manner and as a part of the play, eight small boys and girls in powdered wigs and old time costumes, danced the minuet with the courtly air and charm of bygone days.

TO REFOREST THE BUTTERFIELD TRACT.

The Butterfield tract near Betula, in Norwich township, comprising twelve thousand acres of land, is being reforested by the state. W. A. Hovis of this place to whom great credit is due, assisted by G. E. Elliott, district forester at Coudersport, started the work today with a force of men and expect to plant one hundred thousand trees during the next four weeks.

European Larch, pitch pine and spruce of splendid formation are being planted and it is the intention of the commission to plant these varieties of trees and about the same number each year for several years to come.

This land, which adjourns the Goodyear lands, was purchased by the Mars company about two years ago from the Butterfield estate.

Economies

In order to cut the high costs of new telephone equipment we have introduced many labor-saving devices. In every department of our business there are new machines, new practices, improved methods—all introduced to keep telephone rates *down*.

Were it not for the improvements in the telephone art in the past few years we would have been forced to come to you—the people of Pennsylvania—for increased rates a year or two ago.

We have now reached the point where further economies will impair the service itself—a thing which you would not sanction, and which we could not allow.

When we reach this point—where every possible economy has been introduced in our business, and in spite of this our revenues are inadequate to meet the needs of a sound business, there is only one thing left for us—we must come to you and state the facts.

For you have the same interest in the service that we have.

A strong, well-conducted, efficient telephone system is an asset to the community. We ask only for rates which will enable this company to continue as an asset to the business and social welfare of the State.

TURTLE POINT

Mr. Orrin McCarey is recovering from his recent illness.

Every one is glad to see the surveyors along the State highway.

Jerome Taylor and mother recently visited at T. F. Hughes.

Mr. Edward Havens, who has been ill for some time is improving.

William Owen from near Smethport and Emmit Hultz pulled an oil well near Sartwell recently.

Lucille Murphy and Margaret Knapp recently walked from Port Allegany to Turtle Point after school.

The Misses Frances and Lucille Murphy recently walked from Turtle Point to Larabe, a distance of twelve miles, to attend church services.

Thomas Ryan, Jr., has been visiting friends and relatives in New York State. Patsy Murphy assisted in the cheese factory during the absence of Mr. Ryan.

The state road between Turtle Point and Larabee has been in very poor condition. Stalled cars is a common sight and many have to be drawn through to the road near Larabee.

GENERAL EDWARD MARTIN FOR AUDITOR GENERAL

We should have a man for Auditor General [illegible] of high character [illegible] and [illegible] to perform [illegible] and who has demonstrated his [illegible] for [illegible] the [illegible] years of age. He worked his way through preparatory school and Waynesburg College, graduating in 1901. In his 19 year of law practice he has given particular attention to matters pertaining to taxation, corporations and municipalities. He was a county solicitor for years and is familiar with all departments of banking. He stands for decency in private and public life. He is a Spanish American war veteran and took part in the entire Phillipine campaign. He gave up a lucrative law practice to enter the world war. He commanded the 110th Infantry overseas during its hardest fighting, was in five major engagements and one defensive action. He has been awarded the D. S. C. with oak leaf cluster.

He has received the unanimous endorsement of the Veterans Civic League of Pennsylvania.

TOURING CAR OVERTURNS OCCUPANTS ESCAPE INJURY

A Chevrolet touring car driven by James Nuczso of East Smethport was badly damaged on the road this side of Farmers Valley this morning. Mr. Nussco was accompanied by three others and it is apparent that in attempting to turn a curve under speed the car skidded and turned over. No one was seriously injured.

Robert Oviatt of Okmulgee, Okla., arrived here this morning called here by the illness of his mother, Mrs. W. I. Oviatt. He will spend a few weeks here before going back to Oklahoma. Mr. Oviatt was a pleasant caller at the Miner office this morning.

CARD OF THANKS.

Mrs. Emma Lund of Hamlin wishes to thank all those friends and neighbors who so kindly assisted her during the recent illness and at the time of the death of her husband, John Lund; also for the beautiful floral remembrances.

YOU SHOULD SUPPORT THESE CANDIDATES

The spring primary that occurs next Tuesday is an important one [illegible] the presidential election this fall. Every voter should make [illegible] the polls on that day.

Seven delegates at large to the Republican National Convention [illegible] support of [illegible]:

Gifford Pinchot, Governor.
David A. Reed, U. S. Senator.
George Wharton Pepper, U. S. Senator.
W. Harry Baker, Republican State Chairman.
Andrew W. Mellon, secretary of the Treasury.
Elizabeth Rice Martin.
William S. Vare.

The contest for district delegate to the Republican National convention presents three candidates, one of whom is a McKean county man, James A. Connolly, of Ludlow. Mr. Connolly is deservedly popular throughout the county and is certain to carry McKean by a tremenduous majority. He has a running mate, Mrs. Ella J. Mountz, of Clearfield county, they being the candidates pledged to support President Coolidge in the convention. To make their election certain, McKean county, which is more overwhelmingly Republican than any of the four counties of the congressional district must register a good vote on Tuesday next. Arrange to be home on that day and to cast your vote for the above candidates.

Mrs. E. J. Mountz

FOR DELEGATE TO THE REPUBLICAN NATIONAL CONVENTION.

Pennsylvania will have some women among its Delegates to the National Convention. The 23rd Congressional District, (Clearfield, Center, Cameron and McKean Counties,) has in Mrs. Ella J. Mountz, of Smith Mill, Pa., a candidate who is as completely representative of the District as any one who could be found. Starting in life from humble surroundings, in a little coal mining town, with no capital except a shrewd mind, and no assets except a vigorous will and determination, Mrs. Mountz founded, developed, and to-day continues to personally conduct and supervise one of the largest industrial and commercial activities in Clearfield County.

She has lived her life in the little mining town among her employees, who are her neighbors and her friends; and to their health, their happiness, their prosperity; their joys and sorrows; their civic industrial and educational welfare she has given not alone of money, but of personal interest and activities, and with womanly sympathy.

A Republican by choice, she has given to her Party the best of her counsel and service, even long before enjoying the privilge of voting. Wise in council and active in campaign her training has fitted her for efficient participation in a National Convention.

Industrial achievement, civic advancement and political participation were the foundation for a record of War Service of which both Mrs. Mountz and her friends are justly proud.

ELLA J. MOUNTZ.

Equipped a Red Cross Unit;

Sent every soldier from her Township into war with a crisp new $10.00 bill in his hand and a complete equipment for his comforts in Camp and service.

Gave every returned soldier a job who applied to her for it.

Was awarded the Honor Flag for the United States for the highest per capita buying, individually, in the Liberty Loan Drives.

Maintained thirty-two War Orphans.

Was a liberal contributor to Red Cross, Hospitals, and other charitable institutions and War Activities.

An active Republican, a deep student of political economy, a dauntless spirit, a keen intelligence, all qualify her for the honor she seeks at the hands of the party.

A candidate worthy of the support of both men and women voters who may be depended upon to faithfully serve their interests.

IF ELECTED will use her influence and vote for the Nomination of Calvin C. Coolidge for President.

VOTE FOR MRS. ELLA J. MOUNTZ, FOR NATIONAL DELEGATE.

Domestic science experts say,
"Cream of Tartar baking powder is the best"

Recently a representative group of Domestic Science experts in all parts of the country was asked "which type of baking powder do you use and prefer?" 83% unhesitatingly replied "Cream of Tartar." An overwhelming sentiment in favor of cream of tartar for perfect baking.
Cream of tartar was one of the first leavening agents to be used in baking. For years the best cooks insisted on cream of tartar for perfect cakes, biscuits and other baked foods. Then came Royal Baking Powder, in which are perfectly blended soda and pure cream of tartar derived from grapes grown in the famous vineyards of Southern Europe. For 50 years Royal Baking Powder has been used by the housewives of America for successful baking.

Public institutions are filled with men and women who were too late in learning the importance of saving as they earned.

The farsighted man will store up part of his earnings as a protection against that time when he is no longer able to produce according to his needs.

Then, when his earning capacity has diminished, he will still be independent and able to enjoy old age without care or suffering.

FOREST PROTECTION WEEK APRIL 21—27

Washington, April 7.—President Coolidge issued a proclamation, today setting aside the week of April 21-27 as Forest Protection week and for the celebration of Arbor day wherever practicable, within that week.

The President urged all citizens and the press to give common thought to the protection of the forests from fire in order that the nation's wood supply may be guarded and the purity of the streams insured.

The President's proclamation says "It is essential to the continued comfort, welfare and prosperity of the people of the United States that abundant forests, widely distributed and maintained in a condition of high productiveness be forever wisely conserved as one of our greatest natural resources.

"I also urge all citizens, either as associations or as individuals, all schools and the press of the land to give common thought to the protection of our forests from fire, to the end that, in the future, as in the past, these forests may supply us with wood, protect the purity of our streams, and otherwise serve the people of the United States."

WAGER ON APRIL FIRST SLEIGHRIDE WINS $150

Olean, April 2.—So George Young took the $150 and paid for the horse. George, janitor of police headquarters, did it because the weather of April Fool's day didn't fool him.

George, who has made several weather forecasts that have hit the mark, gave as his opinion a few weeks ago that the last of winter would be in April.

When given an argument by ones in headquarters, he offered to bet that he would drive the horse and sleigh down Union street from the Allegany river bridge to the Pennsylvania railroad tracks on April 1.

He covered a number of wagers, totaling $450. One week ago, the stakeholder, Detective Leslie Coon informed him that the agreement was that the janitor would drive his own horse—not horse. George owned one, so with abundance of faith in his own prediction he bought another. The price was $150.

There was a two-inch depth of snow April Fool's day and George had sleighbells on the outfit.

ided among all employers. Are you a worker in a mine? Under the better inspection given by this administration, your life is better protected, for there were less mine accidents in 1923 than for several decades.

Have you a savings account? If so, you will be interested to know that the Banking Department has increased its force of inspectors and made its inspections more frequent and more rigid, with the result that in 1923, twenty eight, many of them of several years' standing, embezzlements were detected. Through its Securities Bureau the Banking Department checked the operations of the get-rich-quick stock salesman, and drove more than $200,000,000 of fraudulent securities from the market [illegible]

The State Police force has established a new high water mark in actual results per man. Each trooper during the last fourteen months arrested an average of 33 persons, which is the record. The force traveled almost two million miles on patrols, recovered stolen property worth a quarter of million dollars and confiscated two hundred thousand bottles and barrels containing illegal liquor, much of which was denatured alcohol, causing [illegible] death to the drinker.
